

First Time Buyers

First Time Buyer?  
Think you can't  
afford to buy?  
**Think again!**

We have a full range of schemes and incentives to help you get your foot firmly on the property ladder.

## First Time Buyers

### Believe you can't afford your own home? Get ...The Facts.

Whether it is help with your deposit or help to lower your mortgage repayments by only paying for part of your new home now – we can help. You could buy 100% of your new home for as little as 50% of the price now.

There is a wide range of Taylor Wimpey and Government Assisted schemes to help first time buyers just like you.\* We work with specially selected Independent Mortgage Advisors to get you the best advice possible and to find the right mortgage to suit you.

**If you are a member of our armed forces, we have a special offer for you too! You will be entitled to a special 'forces' discount.\***

But we are not just about deals. We are here to help and guide you every single step of the way.

For more details on how we can help you, speak to our Sales Executives.
