Introducing our new homes at Rose Banks

Taylor Wimpey's Rose Banks development in Wells, Somerset, will offer the very best high-quality homes within a friendly and convenient location.

The much-anticipated development will be opening its doors to homebuyers this winter. Work has now started on-site and over the coming months, the development will start to be transformed into what will become a thriving new community.

Based off the A371, the development will feature properties in a range of styles and sizes to meet the growing demand for high-quality homes in the area within easy reach of local amenities.

Understanding the demand from today's housebuyers is a huge part of what we do here at Taylor Wimpey and, whether you are needing more space for your growing family or somewhere smaller now the kids have left home – Rose Banks is the perfect place to call home.

The new community will also feature on-site greenery and landscaping in keeping with the existing environment and promoting wildlife and wellbeing among the new residents.

We're proud to support the local communities in which we build, and we have committed to contributing provisions for the benefit of the local area in Wells throughout our time working on delivering a new community.

We'll keep you posted on when Rose Banks will be opening its doors, but in the meantime, visit www.taylorwimpey.com to register your interest and be the first to receive updates.

Development Plan

The story so far...

In September 2019, we secured Reserved Matters planning approval from Mendip District Council.

When completed the development will deliver a total of 110 2-4 bedroom properties in traditional stone, brick and render, in keeping with the local area.

We anticipate opening an on-site Sales Information Centre in January 2021 where house-hunters will be able to find out the latest information from our sales executives and reserve their new home.

Following this, we will also be opening a professionally decorated show home, giving buyers an exclusive inside look at what life could be like on the stunning development.

We will continue to share details about our plans and progress throughout the duration of the build.

How can we help you?

We are committed to supporting charities and local community groups in the local area. We believe that we must actively contribute to helping others financially, with our time, energy and leadership.

With our plans at Rose Banks progressing every week, we'd like to continue supporting the community causes close to your hearts. If you're a local choir, sports club or school organisation, we'd like to hear how we can help you.

If you would like us to support your charity or local community group, please email taylorwimpey@onebrandmagic.co.uk to submit your response.
