# Your home interior style

It's the design choices you make that turn a house into a home. The way you combine colours and layer in textures, for a look and feel that's uniquely you.

Great design is like storytelling and you're the author. Our homes are carefully designed, with spacious living areas and a modern high-quality finish. But the rest is up to you. Your home reflects your story. It's where you've been and where you want to go. Creating a narrative for how you want to live your life.

The Elliston is the perfect canvas for your interior inspiration. This two and a half story, 4 bedroom home has tonnes of versatility and is ideal for growing families. Featuring a spacious lounge, a kitchen/dining room with French doors to the rear garden, and four bedrooms - giving you all of the flexibility you need.

## An open book. Your creativity.

---

Style the Elliston your way. We know that space is important to you, which is why we've designed the Elliston with a large open plan kitchen/dining area, creating the perfect spot for connecting with family and entertaining friends. Plus, a generous lounge and four well proportioned bedrooms for you to fill with your own style and creativity too.

You'll get a choice of high quality options and finishes when choosing your home. Giving you the freedom to edit the look of your interior space to fit around your lifestyle.

The Elliston is a 4 bedroom, two and a half story home designed for flexible living, featuring an open plan kitchen/dining room.
