Dear Ian Heasman,

Re: Carbon Trust Standard Verification

I am delighted to confirm that Taylor Wimpey UK Ltd has completed the verification process, and I have great pleasure in enclosing your verification letter and assurance statement.

Key information about your verification, including details of the boundary, footprint, and certification dates, can be found in this verification letter. Please keep in mind that the assurance statement and verification logo only apply to the data described in this letter and the accompanying Verification Diploma. In order to use the verification logo and assurance statement with next year's data you will need to successfully undergo another verification of your new data.

You can find out more about the carbon reduction services offered by the Carbon Trust at www.carbontrust.com.

Thank you again for all your efforts in tackling climate change and congratulations to everyone at Taylor Wimpey UK Ltd on the successful verification; if you need any further assistance please don't hesitate to contact your Carbon Trust Assurance account manager.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Morgan Jones", with a horizontal line extending to the right.

Morgan Jones

Verification Summary

Carbon Trust Assurance Limited ('The Company') has verified Taylor Wimpey UK Ltd ('You') have reported the below footprint data in accordance with the measurement requirements of the Carbon Trust Standard and in accordance with the principles of the WRI/WBCSD GHG Protocol.

Footprint

Your footprint has been verified for the period of 01/01/2020 to 31/12/2020. Your emissions during this time amounted to 21,794 tCO₂e according to the location-based approach and 18,503 tCO₂e according to the market-based approach.

Further details of Your verified footprint can be found in the accompanying Verification Diploma.

Boundary

Your footprint and certification correspond to the following boundary:

Organisational Boundary

All UK and Spain operations including all subsidiaries

Operational Boundary

Scope 1 and 2 footprint of electricity, gas, and other on-site fuels and fuels used by vehicles owned or based within the organisational boundary in accordance to the Financial control approach

Assurance Level

Your footprint has been verified and assured to a Limited level of assurance.

Materiality

It has been verified that all material non-conformities identified during the sampling performed on the footprint submitted have been closed and that no material errors, omissions or misrepresentations remain. If at any time and for whatever reason You or the Company identify any further non-conformities, the terms described in Section 2 ('Our Mutual Obligations'), clauses 2.6 and 2.7 of the Footprint Verification Services - Terms and Conditions will apply.

Communications

In accordance with the Communications rights associated with verification, the present Verification Summary letter allows You to communicate claims using the Verification logo and assurance statement in reference only to information present in this Verification Summary letter, and that of the accompanying Verification Diploma.

Any other communication proposed shall be submitted to the Company for prior approval.

For and on behalf of

Carbon Trust Assurance Limited

Morgan Jones
Head of Assurance
