THE GOSFORD

THREE BEDROOM HOME

Designed around you

It's the little touches that count. The way you choose to adorn it and apply your own style. That's where the fun really starts, transforming a house into a home. Your home, through and through.

Buying a new build is often compared with a blank canvas. You're the artist and together we can help you with the broad brush strokes. The composition of the interior space and the design choices you make will affect the look and feel. The rest is up to you.

The Gosford is the perfect canvas for your interior inspiration. Traditional on the outside, stylish and modern on the inside. With a large kitchen/dining area, a good sized living room and three bedrooms. Giving you the space you need to adapt rooms and reinvent how you live your life.

"The Gosford show home sealed the deal for us. We initially had some concerns about the amount of space we'd have, but as soon as we viewed the property, these fears were dismissed, and we knew it was our forever home."
