

Three Storey Living

Let your house progress with you.

A change in the size of your family deserves a layout that works alongside it.

The attraction of three storey living is in its modern design, adaptable to you and your lifestyle, no matter how much or how often that changes. Whether you're making your first move or you're looking for somewhere to accommodate your family's varying lifestyle, you'll feel at home with three storey living.

For exact plot specification, details of external and internal finishes, dimensions and floor plan differences consult your Sales Executive. The kitchen layout and furniture positions are for indicative purposes only. The computer generated image is for illustrative purposes only and it is from an imaginary viewpoint within an open space area. Its purpose is to give a feel for the development, not an accurate description of each property. The illustration shows a typical Taylor Wimpey home of this type, but there are, however, variances from site to site. External materials, finishes, landscaping and the position of garages (where provided) may vary throughout the development. Properties may also be built handed (mirror image).
