Attending the AGM

If you wish to attend and vote at the AGM in person, please bring this notice of availability letter with you. It will help to authenticate your right to attend, speak and vote, and will help us to register your attendance without delay.

For the safety and comfort of those attending the AGM, large bags, cameras, recording equipment and similar items will not be allowed into the building and in the interests of security, by attending the AGM you hereby agree to be searched, upon request, together with any bags and other possessions.

There is wheelchair access to the venue for shareholders who require it or those with reduced mobility. However, where required, attendees are strongly advised to bring their own carers to assist with their general mobility around the venue. Directions to the venue can be found on the reverse of this letter. Light refreshments comprising tea, coffee and pastries will be available from 9:30am and after the end of the AGM.

We will not permit behaviour that may interfere with anyone's security, safety, comfort or the good order of the meeting. Anyone who does not comply may be removed from the meeting.

Audiocast

This year we are pleased to again provide an electronic facility for shareholders who are unable to attend the AGM in person, to follow the AGM remotely and submit questions to the Board on the business of the meeting, should they wish to do so. This can be accessed through the AGM section of our website at www.taylorwimpey.co.uk/2024AGM and following the link to the audiocast on the day of the AGM.

You will then be prompted to enter your 11-digit 'Investor Code' (IVC), including any leading zeros, and 'PIN'. Your investor code details can be found above. Your PIN is the last four digits of your IVC.

This will authenticate you as a shareholder. More information on how to join the AGM can be found on page 228 of the Annual Report and Accounts 2023.

Please note that shareholders joining the audiocast will not be able to vote in real time via the audiocast platform. To ensure your vote is counted, you are encouraged to appoint the Chair of the AGM as your proxy as early as possible. Further information on how to submit your proxy can be found in the 'how to vote' section below.
